Dear Presenter,

As co-Chairmen, we would like to invite you to attend the 27th biennial North American Meeting of the North American Catalysis Society, to be held at the Hilton Midtown, Manhattan, NY, USA on May 22-27, 2022. The North American Catalysis Society Meeting is one of the premier scientific events in the field of catalysis. It is a forum for the discussion of relevant technological issues and state of the art research.

The meeting will focus on technological challenges, breakthrough discoveries and state-of-the-art industrial research in catalysis. This conference is shaping up to be one you won't want to miss!

Congratulations on the acceptance of your abstract.

Additional information regarding the 27th North American Meeting is available on the North American Catalysis Society Meeting's website: <http://www.nam27.org/>. Inquiries can also be directed to our meeting managers at Meeting Solutions, Inc. at nam27@meetingsolutionsinc.com
